“This House expresses grave concern over the construction of Jalalpur Canal and Chaubara Branch Canal Project Greater Thal Canal (Phase-II). The Sindh Government through P&D department has raised the objection in the ECNEC meeting held on 19th January 2018 and has written letter to Secretary Ministry of Planning, Development and Special Initiatives (MoPD & SI) dated 11th November, 2021 about firm reservations on Jalalpur Canal.

The Sindh Government has also objected on Chaubara Branch Canal Greater Thal Canal Phase-II in CDWP meeting which was held on 04th of November, 2021 at Ministry of Planning, Development and Special Initiatives vide letter dated 09th November 2021 and demanded from the Federal Government that this project should not be approved because of objections on the firm legal grounds for those illegal Projects.

It is known fact that this House in its sitting held on 28th February, 2003 and 19th June, 2003 had also passed the resolutions unanimously along with the opposition parties against the construction of Greater Thal Canal and termed its construction against the interest of the people of Sindh Province.

In view of this situation, this House condemns this act of Federal Government in compliance to the Punjab Government controversial Project despite the Provincial Government forwarding their objections on legal grounds being against the constitutional provision under Water Apportionment Accord, 1991 and the IRSA Act, 1992.

This House resolves that the process and construction of above Project must be stopped immediately in the best interest of people of Sindh.”
